Overview

Versatile software and business professional with experience in full-stack development, operations, account management, team leadership, and client relations. Focused on building responsive, accessible web applications and scalable, user-centered solutions, incorporating ethical and responsible AI practices, while streamlining workflows and translating business needs into technical solutions.

Experience

Freelance Full Stack Developer at egxo.dev, Orlando, FL

June 2023 - Present

- Built and deployed 20+ modern web applications using React, Next.js, TypeScript, and Node.js.
- Integrated CMS platforms, APIs, and database solutions to support scalable client workflows.
- Managed deployments, version control, and CI/CD pipelines for production-ready applications.
- Collaborated directly with clients to translate business needs into functional technical solutions.

Creative Tech & Event Lead at swaybae.net, Orlando, FL

January 2023 - January 2026

- Managed website and digital content updates to maintain brand consistency and audience engagement.
- Coordinated event logistics, content calendars, filming operations, and production timelines.
- Served as the primary point of contact, streamlining communication and supporting day-to-day operations.

Regional Account Manager at Armadillo Ale Works, Denton, TX

March 2020 - January 2023

- Streamlined collaboration across sales, production, and marketing, improving workflow efficiency.
- Expanded account reach and secured new placements, driving a 25% increase in regional sales.

Assistant General Manager at Northside Drafthouse, Richardson, TX

May 2018 - March 2020

- Supervised and trained 15+ employees, fostering continuous improvement and strong service.
- Reduced operational costs through workflow adjustments while maintaining high service standards.

Account Manager at FullClip Craft Distributors, Dallas, TX

February 2015 - May 2018

- Managed and grew a portfolio of clients with tailored product recommendations and hands-on education.
- Increased product visibility and sales through proactive account support and regular check-ins.
